

P-6

RGBW Wash / Strobe / Pixel Light

Description

The P-6 is the standardized LED wash fixture in the lighting industry, due to its IP66 rating, superior reliability, and user-centered design. Optimized for high punch in medium distances, the P-6 combines the compact size and low power consumption of the P-5 series with the unique optical approach and ergonomomy of the powerful P-10. This all-in-one LED luminaire features pixel-mapping control, long-throw capabilities with native 10° front lens, and all the benefits of magnetic easy-fit filter frames for different beam angles. It is a wash light, a pixel product, and a blinder in a lightweight, smart, and robust design: a must-have LED fixture.
